

MADFIDDLE AUDITIONS

The purpose of the MadFiddle audition is to gain an understanding of the student's goals, answer questions and find a class that suits the student's needs. Students will perform a piece in any genre (3 min max), followed by ear assessment that does not require advance preparation. There is no fee to take the audition.

Audition results reserve a spot for the '22-'23 season that begins early September.

- Auditions will be held through August 15th

To schedule your audition, contact shaunceyali@gmail.com or 414.801.4129

UPCOMING PERFORMANCES

Saturday, August 6 - Sugar Maple Music Festival

Sunday, December 4 – High Noon Saloon

TBA – First Unitarian Society

Sunday, April 23 – Stoughton Opera House

What is MadFiddle?

MadFiddle is a youth violin program that explores fiddle music from around the world and performs at premiere concert venues with an adult backing band. Weekly rehearsals are supplemented with downloadable resources that provide adaptability for different learning styles at home. The program is directed by Shauncey Ali.

Does my child need playing experience to join? What are the ages?

MadFiddle develops ages 6-18 using a multi-tier format. Some playing experience is necessary and students are required to have a private teacher.

Why do kids love being in MadFiddle?

With an emphasis on aural tradition and intergenerational performance, MadFiddle dials in social experiences that keep kids playing music with their peers and having fun.
